

A Fool's Spread for You

When is the Fool Sacred and When is S/He Merely Foolish?

Card One

**Where have I been
Foolish in my Life?**

(Draw a card to represent a choice you made that may not have been the smartest choice you've ever made. You may have a choice in mind already, or you can let this card trigger a memory.)

Card Two

**How was I really just
not very smart?**

(Draw a card to represent how your choice was really very foolish.)

Card Three

**How was I a
Sacred Fool?**

(Draw a card to represent how the choice you made turned out to be a blessing to you)

Card Four

**What lesson is there
for me to learn from
this experience?**

(Draw a card to represent the lesson for you to learn. Can you embrace your choice now and have fun with it?)
